

## DIRECTIONS TO PROJECT 20/20 EYEGLASSES RECYCLING CENTER

Emmanuel United Methodist Church  
2404 Kirby Road at Messick Road  
Memphis, Tennessee 37919

Project 20/20 is housed at Emmanuel United Methodist Church in east Memphis just to the west of Germantown. The church is at the corner of Kirby Road and Messick Road. It is also between Kirby Road and Kirby Parkway to the south of Poplar Avenue and Poplar Pike.

The easiest way to find the church is to drive on Poplar Avenue east of I-240, then turn south on Kirby Parkway at a major intersection beside the Macaroni Grill. Proceed across the railroad tracks and across Poplar Pike. Continue to the next stop light and turn right on Messick Road. The church will be found on your right just before Kirby Road.

The Project 20/20 Eyeglasses Recycling Center is located on the ground floor of the two-story educational building on the west side of the church. Parking is available on the west and north sides of the church.

If you are entering directly onto the ground floor, go to the double glass doors on the west (Kirby Road) side. Go to the center hall, turn right, then turn left down the next little hall. The Project 20/20 room (G16) will be immediately on your left.

If you are entering through the main church office area, follow the covered ramp in the back (north side) to the corridor between the education building and the sanctuary building from the back of the church. Then go downstairs to the Project 20/20 room (G16).
